The FY 99 Action Plan is based upon the Draft Recommended FY 99 Priorities, ERPP Strategic Plan, and technical input from regional meetings, the Integration Panel, and the Core Team. Three regional meetings were held in November in Modesto, Courtland and Sacramento. The results of these meetings were forwarded to the Integration Panel which will meet Dec 1, 2, and 3. In addition, the Core Team, the authors of the Strategic Plan, will provide their input on December 7.

The Roundtable members are invited to an informal workshop with the Integration Panel members on December 7 from 1:00 to 4:00 in Room 1118-30 of the Resources Building to discuss the Plan. A copy of the FY 99 Action Plan will be overnight mailed to the Roundtable on December 8 for discussion on December 11. In addition to the Plan, staff will highlight several policy issues regarding the Plan for Roundtable discussion. Copies of the Plan will also be available at the Roundtable meeting. The Plan, along with Roundtable comment, will then be presented to the Policy Group for approval on December 17.
